General Notices.

Coach and Carriage Manufactory-Clinton, N. C. BOLD ROBIN HOOD respectfully informs the citizens of Sampson county and public generally, he, having recently been partially burnt out, has rebuilt; and his establishment is now in full operation in all its various branches. He is prepared to put up the PATENT SPRING BUGGY, having purchased the right for the county of Sampson; and hopes by strict attention to business to merit a share of public patronage. He warrants all his work to be made of the very best materials, and should any of it fail in twelve months with fair usage, either in workmanship or material, it will be repaired without charge. Persons wishing to buy would do well to call and examine for themselves, as he does not intend to be surpassed for style, elegance and durability.

Sebastopol.-The Fighting There.

A correspondent of the London Times gives the following account of an attack made by the allies.

All the picquets and outposts were kept continually day:on the alert, and twice the Light and 2d Divisions were turned out under arms. The firing was caused 5) lbs. Gum Guaiaeum; I bbl. Gum Camphor; 500 Black driven back by vastly superior numbers. The sec pied in this Union, could have found among its memgave ground, and commenced a rapid retreat upon of secluded women, to outrage their religious sentiheavily from the musketry of our allies.

teries discharged in regular vollies, which rent the air and shook the earth, as if some terrible convulsion of nature was taking place. The shower of shot and shell literally fell like hail, and from the state of the ground on the following morning, it is calculated that 100 tons of ammunition were fired during the half hour the alarm lasted. Mere chance shots, fired in the dark, almost completely destroyed one of the English advanced works, and the whole of the remainder of the night was occupied in repairing it. During the heat of this iron shower the Rev. JAS. H BRENT, A. B., President.
Dr. Morgan Closs, late of Chapel Hill, Prof. of French lay close in the holes and broken ground, occupied till morning, when, from the position of the \$20 00 wounded nearly 200 men. The loss of the enemy, Church of Rome, which has been foisted on the A speculation, as the Russians generally give us 20 is that which animated the settlers of Plymouth Bay

> [From the Cincinnati Enquirer, April 11.] A Wolf in Sheep's Clothing.

We heard yesterday of a series of villanies perpetrated recently by a wolf in sheep's clothing, of a We return thanks for the unexampled support we have had character to bring the reverend imposter, if caught, and believe it will be continued. For further information to the penitentiary. His name is John Howard Wilmation: son, and he has been preaching for some time past at Cheviot. Being endowed with a soft, oily tongue, and a sleek appearance, he tried his killing accomplishments indiscriminately with the unmarried belles of that suburban village with such success that he engaged himself to be married to no less than eleven, some of whom he borrowed money from, upon prewhich he laid between the leaves of a Bible in her

Massachusetts Disgraced.

The press of the United States is almost unanimous in the condemnation of the grossly improper on the night of the 14th ult., which he says is a good proceedings of "American" legislators, by which

We could not feel that we had fulfilled the duty of a public journal should we allow the developments by our allies making attempts to dislodge the rifle- of the "Nunnery Investigation" at Boston to pass men, who, hidden in front of the enemy's lines, have without remark; and yet the subject is one which lately inflicted considerable mischief. The first at- we approach unwillingly and with shame. We shrink tempt was only made by a party of 100 Chasseurs, from acknowledging, even to ourselves, that the Legwho, after skirmishing with the Russian marksmen islature of a State, occupying the moral and intellecfor some time, were, in the end, overpowered and tual position which Massachusetts has so long occuond attempt was made by a strong body of Chasseurs bers a committee which would discharge a delicate supported by 200 of the covering party from the duty in a manner so utterly indelicate, not to say intrenches. But, during this time, the enemy had re-ceived large reinforcements, and the second attack face of the world, that in a body of men which the was repulsed with a loss to the French of 50 killed world has the right to assume were selected on acand wounded. The firing completely alarmed the count of their peculiar fitness to represent the intelliwhole camp, and within five minutes after the second gence, the moral worth, and the culture, of one of attack had failed, two French regiments, one of the oldest, most thoroughly respectable, and most Zouaves and one of the line, advanced upon the con- highly cultivated communities in the country, there tested point. Before this force the Russians, though were found nearly a score who could avail themselves still superior, or at least equal in number, instantly of a little brief authority to insult a feeble household their batteries. During this retreat they suffered ment, and even to rudely break down, or rather to mainly sneak through the barriers which civilized As if they apprehended an immediate storm, the christianity has drawn around their sex. But the whole of the Russian lines opened fire. Their bat- admission must be made, reluctant as we may be to make it; else we may justly be held responsible for sins from which we do not absolve ourselves. The London Times has enough to do to look after England now, but were it not so what a scathing onslaught would there be on this development of the proprieties of life as they are practised by legrslators in the modern Athens of the Model Republic.

The right to appoint a committee for such examinations as that which occupied this committee is perhaps, not to be denied; but it is a right which exists only on account of the possibility that measures so nearly inquisitorial in their character may be needed from which they had driven the enemy. These they to protect the State against great abuse and insidious danger. But this possibility is extremely remote, Russian batteries, they were compelled to retire. In and the notion that our political or our social institu-\$10 00 these encounters the French lost in killed and tions are endangered by the machinations of the who fought under cover, was probably much less .- merican movement is sheerly chimical. No such During to-day our right attack has fired some 10 or danger, no shadow of such danger exists. While the 12 rounds, to which the enemy have not attempted to press is free, while the schoolmaster treads closely on Three Lectures on scientific subjects will be delivered each reply. This unusual quietness has excited much the heels of the pioneer, while the spirit of our laws and Jamestown, there need be no fear that the, occupant of hechair which totters upon the seven hills will attain any power in this country at all danger ous to its liberty or its prosperty.
